The family of J. R. Thomas and Fred Tracy and wife have been enjoying a week's fishing trip on the Gilahee, in Texas.

C. W. Banks, of Ivanhoe, one of our subscribers, left a very fine sample of hog millet at our office last week. He has several acres of it, and recommends it as one of the best forage plants for this country.

Mrs. A. Groves, daughter Bertha and granddaughter Dot Herron left Tuesday for Eureka Springs, Ark., where they go in hopes that the change will improve Mrs. Groves' failing health. Her many friends wish her a speedy recovery and return to Beaver.

Card of Thanks.

I take this method of thanking those who assisted me last Tuesday night in the search for my little boy who was lost while out after the cows. Words cannot express my gratitude, and may God reward them for their set of kindness.

An exchange tells of a man who stopped his paper and wrote to the editor as follows: "I think folks aint to spend their money for paypurs, my daddy didn't and everybuddy said he was the intelligent man in the kentry and hed the smartest family of boise that every dog taters."

We notice in the Washington dispatches that Judge Wilson M. Hammon, register of the land office, has resigned his position. This is a matter of surprise and regret to his many friends in this land district, who hope it is for the purpose of entering some more enlarged and more remunerative field within his profession.

The HERALD is in receipt of an invitation to attend the great Texas Fruit Palace at Tyler, Texas, which opens July 17 and continues till Aug. 1. One of the leading objects of this Palace is to bring the great fruit industry into a well organized system, and tangible shape. It will also encourage emigration to Texas. A maximum rate of \$5.00 for round trip has been made over all railroads in Texas.

COMMITTEE.

A car of mules, wagons, plows, scrapers and other implements came in over the Rock Island Saturday. We understand it is the advance guard of a new ranch and irrigation outfit to be established southwest of this city in Beaver county.—Liberal (K.) News.

Slavin Bros., of Beaver have just finished loading a car of wool on the C. R. L. & P. at this place.—Meade Globe.

I will open the Picture gallery in Beaver about the 25th of this month and will take photographs for one month. Persons wishing work in this line will do well to call while the gallery is open. I will guarantee all work.

Very Respectfully,
J. BLANCHARD.

Lee Howard has sold out to a California cattle syndicate which will be run under the name of Panhandle Pasture Company. The new ranch will be partly in this county and include a large area in the Panhandle, as their pasture will be nearly forty miles square. They will put in windmills, tanks, etc., and are loading wagons at Liberal this week as that will be their source of supplies. Lee secures a good position on the new ranch.—Hardesty Herald.

We call the attention of our readers to the card of the McDonald-Crowley-Farmer Live Stock Commission Co., of Kansas City, Kansas. This company is well and favorably known throughout the southwest, having received many consignments from our gentlemen, and always giving them their prompt and careful attention. J. P. O'Dell, sheriff of Seward county, Kansas, and solicitor for this firm in the southwest, with headquarters at Liberal, is one of the best men in their employment, and gentlemen would do well to give them their patronage.

NOTICE.

I have arrived in this section with my outfit to do all kinds of work. I will work at the 7k ranch near Lipscomb, Texas, July 18 to 23; from there to Clear creek, at the picnic; will be there on the 25th and 26th. From there will go to Beaver. Will be at Beaver from Aug. 1 to 21. I will be here long enough so that the people can come in and see my work, and know positively that I am here. Proofs shown before order is given. I will go wherever desired to photograph ranches.

Yours for fine work,
F. M. STEELE.

NEIGHBORHOOD NEWS.

Nye Notes.

This has been one of the hottest days of the season.

A "burning" question with most every one is "what shall we do for fuel?" Just now the country is plagued with a swarm of mosquitoes; and it is said that stock, horses more especially, have grown poor in the last two weeks.

When we read of the storms, cyclones and other disasters that occur over the country, who will say that Beaver county is not favored?

Miss Cora Wilcoxson and Mr. Rob Smith both prove up their claims in the near future.

Mrs. Wiley Rhodes and her sister Miss Angie Murray left on Tuesday for their old home in El Paso. Miss Angie filed on a quarter section of Beaver county land before she went home.

Misses Belle Osgood and Ella Wiley of Meade were visiting on the river to day.

Most of the dwellers on the river are cutting their alfalfa since the ground has got dry.

X. Y. Z.

Some of our taxpayers are sometimes inclined to think the expenses of the county are higher than necessary. A comparison with other counties in the territory is very favorable to Beaver county.

| | Grant | Woodward | Beaver |
|-----------------|-------------|-------------|-------------|
| Salaries | \$13,000.00 | \$8,000.00 | \$5,500.00 |
| Court ex. | 3,100.00 | 4,200.00 | 2,300.00 |
| Poor & insane | 1,400.00 | 2,800.00 | 400.00 |
| Road & bridge | 1,000.00 | 700.00 | 150.00 |
| County supplies | 2,000.00 | 4,200.00 | 775.00 |
| Contingent fund | 3,000.00 | 4,200.00 | 1,100.00 |
| Sinking fund | 2,000.00 | 3,172.00 | 4,750.00 |
| Totals | \$30,500.00 | \$27,872.00 | \$13,025.00 |

The assessment in Beaver county is only \$40 000 less than in Grant, and only \$200 000 less than in Woodward, and the great disparity in expenses is only accounted for in the increased salaries of their county officials on account of greater population, salaries being regulated according to population, and not according to valuation of property.

Late Literary News.
"O, will he paint me the way I want," As bonny as a girlie, Or will he paint me as ugly tike, And be do—d to Mr. Nerli; But still and on whichever it is, He's a canny Kerlie. The Lord protect the back and neck Of honest Mr. Nerli."

This, one of the last verses written by Robert Louis Stevenson, is in reference to the portrait of himself, which is given to the public with his verse for the first time in the July Cosmopolitan. The lines might have come from the pen of Burns, and are inimitable in their way. The portrait was declared by Stevenson himself to be the best ever painted of him. In this same number of the Cosmopolitan Rudyard Kipling tells an Indian story, to which Remington adds charming illustrations; Mrs. Burton Harrison makes a serious study of New York society in "The Myth of the Four Hundred"; and Kate Douglas Wiggin contributes a story of one of the most delightful of Welsh retreats, the Cosmopolitan was with this number reduced to 10 cents per copy, and as a consequence, notwithstanding its large edition, it was "out of print" on the third day of publication.

National Irrigation Congress.

The programme for the National Irrigation Congress, which meets in Albuquerque, N. M., in September, indicates an unusually able series of papers and addresses. The address of welcome to the delegates will be made by Governor Thornton who will be followed by Judge J. S. Emory, of Kansas. Among the other speakers will be Hon. Clark E. Carr, of Illinois; Ex-minister to Denmark and Ex-governor L. A. Sheldon, of Los Angeles; John E. Frost, land commissioner of the Santa Fe road; E. R. Moses, of Kansas; Thomas Knight, of Missouri; Ex-governor Prince, Judge E. T. Kinsley, of Utah; Col. B. J. Hinton and Capt. W. A. Glassford, U. S. A., will present a paper on the climatology of the arid region. For this occasion a round trip rate of little less than one fare from principal points in Kansas to Albuquerque and return, with liberal limits. For further particulars call on or address, D. HALLORAN, Agent, Santa Fe Ry., Englewood, Kansas.

Stock Brands.

Every man with 50 head of cattle or upward should advertise his brand in this paper, and thus within a month, perhaps, regain stock which has been missing for weeks, and which he has given up as lost. Our circulation throughout this section is wide and steadily increasing, and your brand inserted in these columns will become familiar to the stockmen and settlers of the southwest, largely increasing your chances of regaining strayed or stolen stock. Send in your orders.

GREAT ROCK ISLAND ROUTE

TO THE EAST.
BEST DINING CAR SERVICE IN THE WORLD.

The Rock Island is foremost in adopting any advantage calculated to improve speed and give that luxury, safety and comfort that popular patronage demands. Its equipment is thoroughly complete with vestibuled trains, magnificent dining cars, sleepers and chair coaches, all the most elegant, and of recently improved patterns. Faithful and capable management, and polite, honest service from employees are important items. They are a double duty—to the Company and to travelers—and it is sometimes a task difficult of accomplishment. Passengers on this line will find little cause for complaint on that ground.

REMEMBER
The Great Rock Island Route runs all regular trains to Englewood suburban station, close to World's Fair grounds, and you can save time and trouble by getting off at that point and avoid the crowd in the city.
